

# MEASURING RURAL COMMUNITY VITALITY: COMMUNITY DEMONSTRATION PROJECTS

---

## Expression of Interest

Municipality or Organization:

Municipal Partner (if different from above):

*Note: Transfer of funds must be through a designated, authorized individual at a municipality. If applying as a community organization, please attach a letter of support from your partner municipality, signed by an appropriate municipal contact (CAO, Department Head, etc.).*

**Background:** What is the issue your community is looking to address? What components of well-being and vitality will be considered or addressed through this demonstration project?

**Workplan:** Please describe timelines and planned approach to the community report and any engagement/ implementation strategies you may already have.

**Progress to Date?:** At what stage in the community report/ community engagement and implementation process is your community? Please describe all steps taken to date.

**Strategic Partners:** Are there partner organizations/ communities committed to supporting the implementation of your community report?

No  Yes

Please list all partners and describe their (proposed or current) roles and contributions:

**Project Management:** Please identify and describe the skills and experiences of any staff or community volunteers who will be leading or participating in this project. How are they fit to meet project deliverables in the given timeline?

**Budget:** Please identify budget allocations that may support this initiative (cash/in-kind).
